THE

MAPLE TRAIL

DEDICATION

The Maple Trail appropriately is dedicated this year by the faculty and student body of Campbellsville College to Nona Burress, educator, counsellor and friend.

Miss Burress is well-qualified by training and by experience in the field of education to serve as Director of Teacher Education in this college. For two years she has worked with acute vision in helping to formulate plans and to co-ordinate the many factors and agencies involved in the process of developing for this college a four year program. She keeps her fingers on today's educational trends.

The pulsebeats of the faculty and of the students are felt by Miss Burress. She enjoys working with people. With her everybody is somebody; students' problems are her problems.

Loyalty to Christian education standards, progressive in her thinking, diligent in the pursuit of duty, . . . this is Nona Burress.

PRAISE the name of dear ole Campbellsville
Let your voices ring;
Praise the name of dear ole Campbellsville
To her we gladly sing;
O'er the hills of ole Kentucky
Waves the garnet and the grey;
To our dear ole Alma Mater
We love her more each day.

We Like to have

People visit us----
